INDI ROUND SINK MIXER

2-in-1 Pure Water Solution.

Easily switch between hot, cold and purified drinking water all in the one sink mixer. The Indi Round Sink Mixer embodies pure lines and effortless design. The pin lever handle is minimalist perfection, while the Chrome and Matte Black finish is a fresh take on classic tapware style.

THINK SMART SAVE MONEY

The Indi Sink Mixer gives you hot, cold and filtered water, all from a single tap. The purifier function is independent to the mains hot & cold water operation, increasing the life span of your water filter and saving you money.

INDI SQUARE SINK MIXER

2-in-1 Pure Water Solution.

Easily switch between hot, cold and purified drinking water all in the one sink mixer.

Bold shapes and geometric form are combined with a minimalist pin lever handle in this contemporary sink mixer.

The Chrome and Matte Black finish is a fresh take on classic tapware style.

PURIFIED WATER MADE EASY

Having a water purifier system integrated into a single sink mixer ensures clean & refreshing drinking water is always at your finger tips.

MARTINI SPRING SINK MIXER

The Martini Spring Sink Mixer is timelessly modern in design. The practical Martini handle is perfect for easily controlling the water flow. The vegetable spray lever makes it simple to engage the spray function, while the flexible rubber hose allows for a seamless experience.

care & maintenance

TAPWARE & ACCESSORIES

Where your tapware/accessories remain dry in use, a soft cloth can be used to remove surface dust. Alternatively, a wipe over with warm soapy water is all that is required to maintain the finish in perfect condition for a lifetime of use.

Do not use harsh detergents, abrasive cleaners or citrus based cleaners, as these will damage the surface.

Your tapware & accessories should never be installed using acetone silicones.

Use of wax based furniture cream should be avoided as these can result in a buildup of deposits, which could detract from the appearance.

Do not use undue pressure and wipe in one direction only.

Do not use disinfectant to clean stainless steel parts and components.

Do not use hydrochloric acid (HC) for cleaning. This will lead to pitting and stress corrosion cracking (SCC).

Do not use cleaning products containing chlorides and halides (e.g. Bromine, Iodine and Fluorine).

PLATED TAPWARE & ACCESSORIES

Gold, Rose Gold or Black Sapphire plated products should always be cleaned with care using a soft dry cloth or a soft cloth with warm soapy water.

PEX

All Jamie.J basin and sink mixers include hot and cold PEX core (Cross-Linked Polyethylene) stainless steel hoses. PEX hoses are superior quality, increasing durability as well as flexibility. PEX hoses will not break down or contaminate your drinking water and are resistant to chemicals such as chlorine.

DURABLE FINISHES

Available in a range of durable finishes with increased resistance to scratch marks, abrasions and heat. Please refer to www.jamiej.com.au for care and maintenance instructions.

DZR BRASS

All Jamie.J tapware is made from certified dezincification resistant (DZR) brass consistent with the industry standards for applications with high water temperatures or chlorides present.

EXTENDED COPPER PIPES

All Jamie.J basin mixers come with extended copper pipes. These pipes extend below the base of the mixer allowing for easier installation of PEX hoses and maintenance.
